Hash House Harriers: A drinking club with a running problem

10 December 2012

HASH #113

Circle up! These hashers are being punished for their sins with a down down.

The Pre-Christmas Hash

For what is probably the first time in SHHH history, the trail earned a positive rating and the hares escaped the shame of drinking down downs to the “Shitty Trail” song. Don’t worry, they still had to chug a down down, it just was to a different tune.

But even with an expertly marked trail, complete with heart chalk drawings, the runners skipped half their route because “they didn’t

see the flour and HUGE arrows” pointing through the park. Note: If the walkers, who lose the trail 9 out of 10 hashes, return to the circle without any mishaps and the runners “get lost,” that’s called “short cutting.” Bastards!

Speaking of bastards, Daniel No Name, who was ordained Moon Job at this Hash #113, is also the new Front Running Bastard.

HASH #113 • HOST: KY NOT • HARES: KY NOT, VIAGRA VIXEN & FRENCH POLISHER

Hashers hanging out on a Centro apartment complex rooftop in the summer sun.

If one Chilean drinks, they all drink!

Carissa No Name was ordained KY Not. Daniel No Name will now forever be known as Moon Job.

Continued from Page 1

Carissa No Name was also ordained. She shall now be called KY Not.

French Polisher starred as the Grand Master as the Hash circled up on a rooftop in Centro, which

provided spectacular views of the Andes and Santiago city skyline at sunset. It was a relief when the sun went down for many of the wankers who don't know what sunscreen is and left the barbecue looking like roasted tomatoes.

Public Health Announcement: Chile has no OOOOOO-zone layer, so lather up with that creamy white goo you like so much for the upcoming summer hashes.

On on!

HASH SONGS

Learn 'em or be punished
for your sins!

"A,B,C,D,E,F,G"

Melody: Alphabet Song

A, B, C, D, E, F, G,
Won't you sing a song with me?

Grab a beer and raise your cup,
Lose that hat cuz it's bad luck,

And when we say to drink it down,
Finish that beer and make a crown.

H, I, J, K, L-M-N-O-P.
Better get ready 'cause the beer's
flowin' free.

Fill your vessel to the brim,
Don't you wish you had some quim,

Raise your beer mug to your lips,
Get ready to take some dainty sips.

Q, R, S and T-U-V, W and X-Y-Z,
Now you're ready to make whoopee,

Just remember this or you are dead,
Never never ever say head (oh, shit)

Head? Who said head? I'll take
some of that. And it was good. And
there was much rejoicing!

"ZIP-A-DEE-DO-DAH"

Tune: "Zip-a-dee-do-dah"

Zip-a-dee-do-dah, zip-a-dee-day,
Down-downs are better than your
miserable lay.

Zip-a-dee-do-dah, zip-a-dee-day

Drink it down, down, down!
