HASH #115

Cumming Up For Air and his daughters shoot the boot because Jade (middle) wore new shoes to the Hash despite her father's warning.

The New Year Hash

If this year's first hash is any indication, **2013** might be the best year yet. A polar bear swim, beach side beer stop, naming ritual, frozen ass and plenty of other debauchery set the bar high for the upcoming year of SHH shenanigans.

HASH #115 • HOSTS & HARES: SEWAGE, SIR SUMP PUMP & FINGER IN THE DYKE

Continued from Page 1

Hashers loaded up a party bus for a special first hash of the year at Sewage and Sir Sump Pump's Doghouse in El Quisco. The party began *after* during the 1 1/2 hour ride from Santiago to the shore.

The shitty trail wound through the trees (which the runners shortcutted) to the beautiful Pacific Coast where the group stripped down for a chilly dip known as the Polar Bear Swim (except it's summer so it shouldn't be THAT cold, wimps). Then, on on to the beer stop along the water.

A beautiful view was the perfect backdrop for the first run and walk of the year.

A bunch of wankers taking a stroll along the coast!

Sir Sump Pump and Canuck Puck get ready to dive in the Pacific — in style.

Turtle Head was elevated to the Purple Puckus after icing his bare ass as a farewell punishment. The SHHH thanks him for jumping right in after his first hash and offering lots of help.

After scrambling up some rocks, it was time for *even more* shenanigans than the usual hash circle.

It was incest all around but that's OK, since incest is the best: Texas BJ Assacre's brother tagged along, so now Sir Sump Pump has another pool boy. And Cummming Up For Air brought his two daughters, who stole the show with a family "shoot the boot" display out of dad's smelly running shoe.

In other news, Salem

No Name geared up with a shower cap (sissy, prissy!) for her baptism which ended in a squirt of white goo. She should now be referred to as Bang 'em and Hang 'em.

Turtle Head mooned everyone while he sat bare assed on a heap of ice for his farewell ritual.

After a scrumptious asado, the bus partied all the way to an impromptu stop at the pub.

Happy New Year and On on!

Good luck to Sir Turtle Head on his new adventure in Costa Rica. We hope to have him back for a visit soon!

Salem will now be known as Bang 'em and Hang 'em.

Party bus back to Santiago!

HASH FLASH BACK: #100

SHHH honored its 100th hash with The Amazing Race, a scavenger hunt around the city. Here, Team Weonas are “obeliskin’ it” in attempt for creativity points.

HASH SONGS

Learn ‘em or be punished for your sins!

“DOES A HASHER?”

Tune: “Do Your Ears Hang Low”

Does a hasher like to walk,
Does a hasher like to run,
Does a hasher like to be where
they’re having all the fun?
Can he drink a 12-ounce beer,
While his friends all sing and cheer,
Now your time has come.
So drink it down, down, down.

“HER LEFT TIT”

Tune: “My Bonnie Lies Over the Ocean”

Her left tit hangs down to her belly,
Her right tit hangs down to
her knee.
If her left tit did equal her right tit,
She’d get lots of weenie from me.
Drink it down, down, down.

“MEET THE HASHERS”

Tune: “Flinstones Theme”

Hashers, meet the hashers,
They’re the biggest drunks in his-
tory.
From Santiago, Chile.
They’re the leaders in debauchery.
Half minds, trailing shiggy through
the years,
Watch them as they down a lot of
beers,
Down down, down down down
down,
Down down down down down
down down down down,
Down down, down down down
down,
Down down down down down
down down down down.
